

## Fred Waring At Coliseum

Hi-Fi Holiday, Fred Waring's newest show, will appear at 8:15 tonight in Memorial Coliseum.

Waring, a veteran of 40 years, believes his latest tour surpasses all his previous shows. The program varies from current hits of Broadway, Hollywood, and Tin Pan Alley to the spiritual and the love ballad.

In addition to established stars Gordon Goodman, Poley McClintock, Frank Davis, Patty Beems, Bob Sands, and Leonard Krone-donck, fresh new voices will appear in the ensemble.

This concert is presented under the auspices of the Central Kentucky Concert and Lecture Series. Students will be admitted by ID cards.

## Little Derby Goal \$5,000

This year the Little Kentucky Derby Committee plans to award \$5,000 in scholarships.

In 1956 two \$100 scholarships were given and last year ten \$200 scholarships were awarded to worthy freshmen.

Recipients are selected by the committee on the basis of scholarship and need.

Members of the 1959 steering committee are: chairman, Bob White; vice chairman, Cynthia Beadell; secretary, Sharon King; treasurer, Red Calkin. Division chairmen are Wayne Priest, Murphy Green, Sidney Crouch, Marshall Carpenter, Dick Warren, Ann Murphy and Lucy Alexander.

For the first time, the secretary will head a separate committee. This division will maintain and handle correspondence and all other matters concerning the supervision of the Little Kentucky Derby.

### Folk Dance Society

Students interested in becoming members of the Folk Dance Society may attend the regular Monday meetings at 7 p. m. in the women's gym. The November program is designed to introduce prospective members to the various forms of folk dancing, while the new society will be formally organized in December.

## Two UK Instructors Dismissed By Kahlson

Dissension within the Lexington Symphony Orchestra has resulted in the dismissal of 11 members including two University instructors.

Conductor Erik Kahlson said, "I have been pretty viciously attacked, and I am not going to take it lying down."

"I fired all of them, and will not under any circumstances take them back," he added.

Members from the University were Almonte Howell, assistant professor of music, and Jerry Ball, instructor in music.

Kahlson termed the discharged musicians a "University of Kentucky group." They had reportedly asked a meeting of the board of directors and players to discuss "poor musicianship."

The conductor called their action "treacherous" and "yellow-bellied in going behind my back."

He excepted one University professor from the group. He said E. J. Humeston Jr., professor and department head of library science, settled the situation with him at the rehearsal Monday night.

Kahlson said Humeston was "a fine gentleman" who "came to see me in person" about the difficulty.

Joe Lehman, president of the orchestra board of directors, said "only about 12 or 15" members of the orchestra "feel strongly" about the situation, and that the remaining 50 or 60 want to continue under Kahlson, as indicated at Monday night's rehearsal.

THE CONFEDERATES

## Quartet Champions To Sing Tomorrow

What is billed as the "Greatest Barbershop Quartet Show in the World" will appear in Memorial Coliseum at 8 p. m. tomorrow.

The show is sponsored jointly by the Versailles chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America and the UK circle of Omicron Delta Kappa.

Singing will be winners of the Society's international competition since 1948.

Tickets are \$1, \$1.50, \$2, \$2.50 and \$3. ODK members will sell tickets today in the SUB from 3 to 5 p. m.

Among the quartets here tomorrow night will be The Confederates, Memphis, 1956 champion; the Four Harsemen, Amarillo, Tex., 1955; the Pittsburghers, Pittsburgh, 1948; the Mid States Four, Chicago, 1949; and the Schmitt Brothers, Two Rivers, Wis., 1951.

Also appearing will be the Versailles chapter's choir.

The Schmitt Brothers are four of a family of seventeen children. They have traveled more than 500,000 miles to sing and have appeared on nearly 1,000 programs.

They have been guests on the

Arthur Godfrey, Ed Sullivan and Lawrence Welk television show.

The Pittsburghers have appeared in each of the United States and Canada. They have been invited to conduct barber shop quartet clinics for the Armed Forces overseas.

The Society said that the Mid States Four have become famous for their ability to combine smooth styling of currently popular songs with hilarious, made-up comedy and the more serious types of barbershop ballads.

Former winners of the Arthur Godfrey Talent Scout show, the quartet did 33 shows for 52,000 United Nations troops during the Korean War.

This is the first time there has been a concert like this anywhere, said Jess Gardner, ODK faculty secretary-treasurer.

## Homecoming On SC Slate

Monday night at Student Congress meeting.

(1) Representatives will decide if the SC will join the National Students Association.

(2) Slates of the two parties' candidates will be presented.

(3) Representatives will vote whether to add to the constitution an amendment of election codes presented last spring by Pete Perlman and Dan Millott.

(4) Discussion will be held concerning Panhellenic's request to give complete control of Homecoming to Student Congress.

The meeting will be held in the Court Room of the Law Building at 7 p. m.

## Alumni Grid Fest Monday

The UK Alumni Association will sponsor its annual football banquet at 6 p. m. Monday in the Ballroom Room of the SUB.

Dr. Leo M. Chamberlain, University vice president and vice chairman of the University Alumni Association, will be principal speaker and Coach Blanton Collier also will speak. B. A. Shively, director of intercollegiate athletics, will be master of ceremonies.

The Samuel L. Huey Scholarship Award, named for a former team manager, will be presented and team members who are graduating seniors will each be given watches by the alumni association.

The banquet is open to the public. Tickets are \$2.50 and reservations may be made by calling the University Alumni Office or by stopping at the office to obtain a ticket.

## Home Ec Faculty At State Meet

Dr. Abby Marlatt, director of the UK School of Home Economics, is program director of the annual meeting of the Kentucky State Home Economics Association today and tomorrow at the Brown Hotel in Louisville.

Other UK faculty members attending are Dr. Helen Marshall, and Miss Anne Brownlie, associate professors of home economics; Mrs. Jess Alexander, Mrs. Jessie Ringo, Mrs. Anne Clemmons.

Miss Helen Wilmore, Miss Lois B. Combs and Mrs. Roberta Taylor, assistant professors of home economics, and Miss Jeannette Radley, instructor in home economics.

Miss Brownlie also will attend the 17th annual meeting of the American School Food Service Association Monday through Thursday at the Bellevue-Stratton Hotel in Philadelphia.

# The Kentucky KERNEL

UNIVERSITY OF KENTUCKY

Vol. L

LEXINGTON, KY., FRIDAY, NOV. 14, 1958

No. 32

### Bill Haas President Of Canterbury Club

New officers of the Canterbury Fellowship are Bill Haas, president; Betsy Kutak, vice president; Mary Dan Matthews, secretary; Myra Goff, treasurer, and Prof. Ernest Spokes, faculty adviser.

Members of the fellowship will meet at 410 Rose Lane, while their new chapel and student center is built on their lot at 472 Rose Street.

Regular communion services on Wednesday and Sunday mornings, the Thursday afternoon coffee hours and the Sunday evening programs will be held at the new address, beginning today.

## Students, Faculty To Aid WUS Drive

Two simultaneous drives will begin Monday on the University campus to gather funds for the World University Service drive.

The WUS is a world-wide organization consisting of 40 countries in membership. These countries have a mutual agreement on how the money collected will be used.

One drive will be conducted through the faculty and one through the student body.

Heading the faculty drive are Dr. John Kuiper, head of the Philosophy Department; Ken Harper, director of the YMCA; and Ann Marie Salgat, director of the YWCA.

The student steering committee consists of Nancy Waterfield and Fred Strache, co-chairmen; Murphy Green, publicity; Glen Goebel, solicitation; and Susan King, personnel.

The drives will begin Monday

and will last through the following Saturday. Students will be contacted by various campus organizations, including Student Congress, IFC and the Panhellenic Council.

The solicitation drive will be conducted door to door through all dormitories and fraternity and sorority houses.

A chart will be located in front of the SUB to show the progress of the drive. Any individual or organization which contributes \$25 will have its name and amount posted on the chart.

This year's goal has been set at \$1,000. This amount has never been reached in previous WUS drives conducted on this campus. The amount reached last year was \$600.

The money collected will be divided among the member countries to be given to universities.

Continued on Page 2

### Honorary Offers Lecture Series

Seven initiates were taken into Eta Sigma Phi, ancient language honorary Thursday.

The president, Margaret Sweeney, also announced that the fraternity will sponsor a series of lectures and discussions on the classical civilizations and related subjects.

The series will begin Dec. 11. Dr. W. L. Carr, of the Ancient Language Department will present his paper on Helen of Troy.

Initiated were Sara Landrum, Mary Louise Huffman, Jo Anne Aylor, Joyce Cooper, Peggy Brumleve, C. Emmett Calvert, and Hugh Cannon.

### Student's Auto Top Slashed By Vandals

Vandals slashed the top of his convertible, Michael Courson, 205-A Breckinridge Hall, reported to police Wednesday night. He told police the vehicle was parked on Short Street near Walnut Street.

WUS Officers

Left to right: Fred Strache, co-chairman; Nancy Waterfield, co-chairman; Glen Goebel, solicitation chairman; Susan King, personnel chairman. Murphy Green, publicity chairman, and Dr. John Kuiper, faculty advisor, were absent at the time.

## Beginning Course Firms Talk In Greek Offered

After a year of persuasion, Mrs. Bets Berries, Lafayette High School senior, saw her dream come true.

The Ancient Languages and Literatures Department offered a high school Greek course this year.

For the first time a class in elementary Greek is being held once a week for an hour on Wednesday afternoons. Dr. Jonah W. D. Skiles, head of the Ancient Languages and Literature Department is the instructor.

Bets is one of twelve students who come from Henry Clay, Morton, and Lafayette High Schools for the course. They are enrolled in the ninth to twelfth grades.

The course is offered under the University's extended programs.

## WBKY Broadcasts Astronomy Reports

Dr. W. S. Krogdahl, assistant professor of astronomy and mathematics, is giving a report on astronomy over WBKY each Thursday night.

The report, intended to give listeners a brief listing of what may be visible on a particular night, is given on the 5:30 p. m. newscast.

Many Navy vessels distill their drinking water from the sea, but it is an expensive process.

## Firms Talk To Seniors

The Placement Service announced that the following companies will hold interviews, next week.

MONDAY, NOV. 17—Universal Oil Products Co. will be interviewing M. S. and Ph.D. chemist and chemical engineers who are near graduation. Universal will also be interviewing these persons for summer employment. The U. S. Department of Navy, Bureau of Ships, will interview engineers. The AVCO Mfg. Co. will also interview engineers.

TUESDAY, NOV. 18—The Esso Research and Engineering Co. of Linden, N. J., will interview B. S. and M. S. and Ph.D. chemists. The Chrysler Corp., Missile Division; Es-Cella Corp.; the Naval Research Laboratories; and Buffalo Forge will be seeking engineers. The International Telephone and Telegraph Co. will be looking for electrical and mechanical engineers and persons at all levels in mathematics and physics. This company will be interviewing Wednesday and Thursday also.

WEDNESDAY, NOV. 19—Armco Steel will be interviewing engineers. They will also interview Thursday. The Appalachian Electric Power Co. will interview engineers and home economists on Wednesday and Thursday.

## Students

Continued From Page 1

which are without adequate facilities of education. It will be used for medical supplies, clothing, housing, food and other basic needs.

Last year a major portion of the money collected was used to aid the Hungarian Youth Movement.

Fred Strache has been working with the WUS through the YMCA in the Southern area of the United States. He is a member of the Southern YMCA Council and attended a seminar at Blue Ridge, Tenn., last summer where he came in contact with various representatives of the WUS.

# Semester Half Over But Parties Continue

By ANN ROBERTS  
Kernel Society Editor

One weekend follows another with parties, parties and more parties and before we know it, the semester will be over. It's hard to believe that it is already half over. But mid-terms are beginning to convince me.

It seems like things would begin to slow down since the tests are speeding up, but it's not so. The little social calendar doesn't have a gap in it.

ANN ROBERTS

For instance, take this weekend. It's the end of the first half of the semester when everyone usually starts their studying, but with all the events scheduled, they won't have a chance.

Along with the many house parties, there is a concert tonight,

a football game tomorrow, another concert tomorrow night, and a name band dance scheduled for tonight at Joyland. Study?

Tonight, Fred Waring and his Pennsylvanians will appear at the Coliseum at 8:15. The group is appearing as a part of the concert series and admission will be by ID cards or Community Concert Series tickets. Fred Waring has appeared here before in this series and certainly deserves the return invitation.

The SAE's have planned a big weekend which starts tonight and winds up Sunday. They are planning a house party weekend where the guys move out of the house and their dates move in.

Tomorrow afternoon Kentucky meets Xavier on Stoll Field at 2:00. Let's hope the weather will be a little better this week than it was last week. Since this is again an afternoon game, it has again been suggested that everyone wear casual clothes. It seems that everyone

can't improve our school spirit and it is certainly agreed that our spirit could use a little boost. Casual dress makes it seem a little more like a football game where you can yell and scream all you want, rather than a civil show where you exhibit your new clothes.

There is another concert tomorrow night sponsored by ODK, men's honorary. The concert will present several well-known barbershop quartet who have been brought together by the Versailles chapter of SPEBQSA (which by the way is pronounceable — it stands for the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America). The concert begins at 8:00 in Memorial Coliseum and if you are interested in barbershop singing at all, don't miss it.

Tonight there are some strange house parties going on at various fraternities. The ZBIs are having a Suppressed Desire party where everyone dresses to represent their suppressed desire. The Kappa Sigs are having a Toga Party and toga and Roman customs will be the theme. The Sigma Nats are throwing a Mad Bomber party.

Also tomorrow night, the Delta Omicron chapter and the SAE will be having a party on their house party weekend.

Stan Kenton and his band will be at Joyland tonight for a big dance. I'm sure everyone has heard of Stan Kenton so if you want some really good dance music, that's the place to go tonight.

Congratulations to Katie Maddux, new honorary captain of Pershing Rifles who was crowned Saturday night at the PR dance and to her lieutenants Pat Humphrey and Darlene Scheibel.

The new Kappa Kappa Gamma Pledge officers are: Peggie Lisle, president; Mary Ann Smith, panhellenic representative; Jeanie Robinson, music chairman; Sharon Cheatham, social chairman; V. P. Van Meter, activities chairman; and Betty Logan Lehman, secretary.

## NSA: Should We Join?

For a month Student Congress has been debating the question of whether UK should join the National Student Association.

We have looked into the question this week, and since SC will vote on the question Monday, the findings we made should be presented now.

NSA has over 300 member schools and is designed to encourage student action and thought in a number of varied fields. The organization deals not only with problems that arise in the area of student government; it also takes stands on national and international questions.

We do not contend that NSA will be a panacea for all our ills at UK, nor do we claim that its stands on these so-called vital national and international questions are in complete accord with the viewpoint of the UK student body or of the South.

We do feel, however, that NSA has some good features which should be pointed out and that some possible misconceptions about the organization must be cleared up.

The one feature that stands out about this group is its vast storehouse of ideas for UK student government. As a national group, NSA keeps a complete file on various topics and problems of various member schools.

It is thereby able to provide a member school with possible solutions to these problems. In this respect, NSA would be a great service to UK student government by making the research of various SC committees far more efficient and accurate.

We have heard that some people believe the organization has Communistic leanings. This idea we reject completely.

In the first place, the NSA constitution states that the organization is non-sectarian and non-political—that is, it does not endorse party platforms or candidates. Since its conception in 1916, no reliable studies have found the organization to be "pink" as some people have assumed.

Our membership in NSA would greatly aid the removal of misconceptions about Kentucky which exist in other areas of the country. This, for us, would be a distinct advantage.

From our viewpoint NSA has something to offer UK. It is a step in the right direction. We would not be obliged to take everything the organization does as gospel truth, but as an intelligent student body we would be able to use NSA to fit our needs and our problems.

And, like everyone else, we have plenty of both.

### The WUS Drive

## In Support Of Learning

Students in the United States enjoy the highest peak of education in the history of the country. We have at our disposal unlimited numbers of schools, texts, and school equipment at every level of education. But with these extensive chances to learn, we often overlook the fact that some students in the world would like to learn more but do not have the facilities or money to do so.

Can it be justified that these students are denied further educational advantages because natural, economic, or political disasters have isolated their chances?

The World University Service does not think so. Its thesis is "The student, and the university where he studies, have always been the hope of the world."

It is because of this theory that WUS has become an agency for relief when learning is terrorized or stricken. Not only does it help preserve lives in stricken areas by distributing food, blankets, medicine and shelter, it also provides books, writing equipment and educational supplies for the needs of the human mind.

It helped in Europe to build dormitories and provide medical assistance and to offer scholarship aid; in Africa to promote an all-African uni-

versity conference; in the Middle East to erect housing and provide X-ray and medical supplies; in the Far East to build TB wards, furnish books and offer scholarships.

It helped in Southeast Asia by building and equipping dormitories, providing books and giving medical aid; in the United States by offering subsidies for practical scholarships and surplus food distribution to needy students.

Sometime in the next few days you will be asked to contribute to WUS, and the Kernel urges all students to support the fund drive. Your contribution, no matter how small, will be welcomed. And in giving it, you may rest assured that somewhere a less fortunate person than you will benefit by your thoughtfulness.

### Kernels:

Intelligence appears to be the only thing that enables a man to get along without education. Education appears to be the only thing that enables a man to get along without the use of his intelligence. —A. E. Wiggam.

Things have come to a heluva pass When a man can't cudgel his own jack-ass. —Henry Watterson.

## The Readers' Forum

### A Thought On WUS

To the Faculty and Students of the University:

These are indeed anxious times in higher education all over the world. These are times for reassessment and new effort. Each of us has a definite personal responsibility to bestir himself and give assistance to worthy students of other nations.

The constructive, far-sighted program of World University Service provides the means for us to make the contributions which will answer some of the needs of our fellowmen.

Through the provisions of books, medical services, student housing, and other essential elements to educational endeavors, World University Service is making a distinct contribution and deserves the support of every student and faculty member.

The persons working on this drive will be calling on you soon. Please help the World University Service through your contributions.

FRANK G. DICKLY  
PRESIDENT

### A Hidden Statue

To The Editor:

I wish you would bring to the attention of the Faculty (and the student body) the fact that we have in the King Library a large, expensive, life-size statue (If I'm not mistaken it's the great Jefferson) stuck away in a dark, little-used hallway, where few ever pass and (fewer) notice it. It sits between a dirty telephone booth and a fire extinguisher.

It would be an appropriate—and perhaps inspiring—decoration for that great, open, largely empty foyer where practically all students pass, and many linger.

TOM C. MCKENNEY

### SUB Snooze

To The Editor:

After walking with a stiff neck and disjointed skeleton from trying to sleep in the Student Union Building, it occurred to me that there is a student need that could be, but isn't, fulfilled.

And that is, he needs a place where he can sleep for an hour without waking up feeling like Frankenstein's monster. Surely there are some spare

mattresses around and a suitable place for this to be accomplished.

I would be glad to help work out details with anyone who thinks this idea is feasible and who is in a position to do something about it.

JERRY MEKETON

Beat Xavier, take Monday off

### After The Race

To Cooperstown Residents:

While I regret, naturally, that I was not elected to serve your interests as mayor of Cooperstown, I do not feel that the race was utterly futile.

I believe more people have come to feel there is a place for a woman as mayor; I'm sorry that I just wasn't the woman for the job! However, maybe my race will help pave the way for another woman to win in the future. She will certainly have my good wishes!

I want to use this means to publicly congratulate Mr. Noe. I'm sure he will be encouraged by your votes to do his utmost for Cooperstown, and I am sure he is a capable man.

My very special thanks to all of you wonderful men and women who worked so faithfully in my behalf. I wish I could have been given the opportunity to repay you by working for you and your children as mayor of Cooperstown. Since this is impossible, I will just have to say you have my most sincere appreciation for the time and effort you have given me in this campaign.

Losing isn't fun, but sometimes it teaches us more than winning does. Maybe my running in the race has caused some people to take more interest in Cooperstown affairs. And maybe many of you will be encouraged to present your views to the Council, as you have to me in these past few days.

As for all of you wonderful people who voted for me, I can only say, THANKS . . . and I just wish there had been twice as many of you!

MRS. ROBERT P. STRATTON

## Around Campus

The Lexington chapter of the Alliance Française will hold its next meeting at 3 p.m. Sunday in the Music Lounge of the Fine Arts Building.

Willy Walsh, French consul of Louisville, will give an informal talk on the life of Charles de Foucauld, explorer of the Sahara. The meeting is open to the public.

### Newcomers

The Newcomers day sewing group will meet at 10:30 today at the home of Mrs. Stephen Diachun, 120 Tahoma Road.

### Faculty Tea

The annual Faculty Tea will be held from 3 to 5 p.m. Sunday in Reeland Hall.

According to Miss Hedy Homuth, social chairman in charge of the tea, approximately 300 invitations have been sent.

The girls in the dorms select their favorite faculty members and invite them personally, also.

The purpose of the tea is chiefly to aid the girls to become acquainted with the faculty.

### Newman Events

Father Bernard McDonald of London, Ky., will lead dating discussions in Room 205 of the SUB at 7 p.m. Monday and Tuesday. The discussions are being sponsored by the Newman Club.

Catholics may receive Holy Communion Sunday at 9, 10, 11, or 12 o'clock mass in the Newman Club Chapel. A breakfast will follow the 9 a.m. mass.

### Prior Pre-Med

Dean M. M. White will speak at a meeting of the Prior Premedical Society in Room 313, Funkhouser Building.

### Tri-Delt Tea

Delta Delta Delta will entertain with a tea in honor of their new housemother, Mrs. Thelma Hickman, from 3 to 5 p.m. Sunday.

Mrs. Hickman is formerly from Hot Springs, Ark., and has served as a Tri-Delt housemother at the University of Arkansas.

### Union Choir

The Union College Choir will give a concert at the First Methodist Church Sunday evening. This will be preceded by a 6 p.m. supper at the Wesley Foundation home.

### Art Exhibit

The Graphich '58 art exhibition, which opens Sunday, Nov. 23, will have 107 prints and drawings by many professional artists.

Some of the better known artists who will exhibit are Lawrence Calogno, Edmond Casarella, Ralston Crawford, Antonio Francconi, John Euleberg, Angelo Ippolito, Vincent Lengo, Gabor Peterdi, Andre Rucz, Karl Schrag, and Ben Shahn.

### Young Democrats

The Young Democrats Club elected officers recently. They were president, Danny Yates; vice president, Bob Broadbent; secretary, Ectay Jane Miller; treasurer, Mary Ball Mobberly; and publicity chairman, Billie Rose Paxton and Bud Broadbent.

## Canadian Army Is Seeking Bandmen

OTTAWA (AP) — Nine more Dutchmen have been signed up as musicians for the Canadian army. This brings the Dutch contingent to about 180 in the army's 12 bands. Canada began recruiting bandmen in Britain and Holland five years ago to fill the thinning Canadian ranks.

The club holds its meetings the first and third Thursdays of each month. Next meeting will be Nov. 20.

### Peace Study Group

"Crisis in American Culture"

will be discussed by the Peace Study Group on Monday, Nov. 17 at 8 p.m. in Room 204 of the SUB.

The topic for discussion will be introduced by Dale Angel.

### Architectural Officers

Officers for this year's Architectural Assembly have been elected. The officers include: Larry Hacker, vice president; Betty Stuckman, secretary; and Forrest Hornback, president. Meetings of the Architect Assembly are held at 11 a.m. each Friday in Room 205 of Anderson Hall. Meetings are open to any student interested in architecture. Talks are given each week by architects from various companies and universities.

# Wildcats Are Favored Against Xavier Muskies

By SCOTTIE HELT

For the second time this year, Kentucky will be favored by the national oddsmakers. Their general prediction is that the Wildcats will be some 30 points better than the visiting Xavier Musketeers.

However, Coach Blanton Collier and crew are not altogether happy about this great edge they are supposed to win by. No doubt, upsets such as Chattanooga and Florida State were able to come up with only last Saturday still ring in the UK head mentor's ears.

Collier is quick to point out that this contest can not for the slightest moment be counted as a "breather." In analyzing the potential of the Queen City crew, he says: "This team is a real 'hard-nose' outfit that could give us a lot of trouble, especially if our boys have any thoughts of it being an easy game." Such has been the case in many a would-be "breather"—overconfidence.

The Xavier team has been progressing most rapidly in the past few weeks and have now pushed their season record to a respectable 5-4 which includes the last three games in a row as victories. These three, by the way, were achieved only after the Xavier attack had the services of its starting lineup in the backfield for the

first time this year. They, like UK, suffered the injuries to key men.

The come-from-behind Xavier crew opened the season with a 8-0 win over St. Joseph and then hit the skids with a 6-0 loss to Kent State and a 31-20 defeat imposed by the Quantico Marine team. A glimpse of their true potential was demonstrated as they took a 22-5 victory over Miami (O.), but then went on the losing string again by falling before Cincinnati and Detroit by scores of 14-8 and 31-6 respectively. Their good men back in the lineup, wins over Dayton, Marshall and Toledo have been gained on the last three weekends by scores of 16-0, 14-6 and 34-8.

Coach Collier's men will be attempting to get off on the right foot toward ending the season in a style similar to last year when they exploded in the finale to down rival Tennessee. A win over Xavier and the Vols would give the 'Cats a 5-4-1 season mark. This would give them a good chance to compete in the new Blue Grass Bowl at Louisville.

Kentucky will be counting for a victory on the return to the lineup of the majority of their key men who have missed portions of the last three or four games. Although Waymond "Bogey" Morris, who suffered an arm injury

LLOYD HODGE

against Vanderbilt, is definitely out of this one, as are possible season-lost tackle George Boone and center Dick Bloeger, the rest of the team should be in the best physical shape since the opener against Hawaii.

Collier has indicated that the only possible changes in his lineup would come at one tackle spot and at the fullback position. Luke Cambren may get the nod over Cullen Wilson to open at one tackle slot for the first time this year while Lloyd Hodge, who has started before, may return to the number unit at fullback.

# Harriers Win Again; Run In Dayton A.A.U.

By JOHN BAXTER

E. C. Pimmner and Press Whelan led Kentucky's harriers to a 1936 victory against DePauw University Wednesday at Greencastle, Ind. The two finished in a dead heat for first place in 17:16 for the 3 and one-quarter-mile course.

Bill Blake of DePauw, the Indiana small college cross-country champion, finished third in 17:24, about 80 yards behind the leaders.

UK's Roger Gum changed the usual finish order for the Wildcats by placing fourth in 18:06 ahead of Austin Pyles. Pyles had beaten Gum in all previous meets this season.

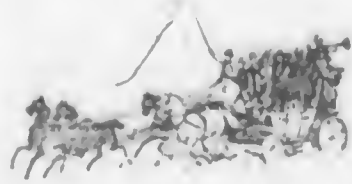

Bob Stewart of DePauw edged out Kentucky's Alan Lips for sixth place. Evans, Fox and Blake, all of DePauw, finished eighth, ninth and tenth respectively.

The meet was Kentucky's sixth on an eight-meet card for the year. The Cats are still undefeated.

The UK runners travel to Dayton, Ohio tomorrow for the annual Dayton A.A.U. meet featuring a field of some 100 runners. Kentucky placed second in the affair last year with Whelan being the individual winner over Hungarian Olympic star Enno Beres.

Going into the Dayton competition, Coach Don Seaton's charges have gained their all-winning mark with dual-meet wins over Hanover, Cincinnati and Memphis State in addition to DePauw. Triangular wins were achieved over Berea and Cincinnati, and Vanderbilt and Pittsburgh.

Also going to Dayton with the team will be two freshman runners, Dave Purdy of Paducah and John Baxter of Lexington.

# The Dope Sheet

By  
SCOTTIE HELT

What with so many recent blasts of the Kentucky football coaching techniques by fan weather, non-spirited, so called fans, it seems only proper that UK athletic officials have turned over this week's activities specifically to the real football fan—the kid.

Coach Collier started off the most highly commendable proceedings by opening his practice Tuesday to the youngsters who compete in the "rugged" Small Fry League locally. Some 75 gridders between ages 8-14 were issued into "seventh heaven" as they watched Collier send their heroes through their paces.

It took no expert observer to see that these potential All-Americans were winning the headknockings not to try and see what they could find wrong with the UK style of play or to condemn the coaches' tactics, but only to see some good football. As they eagerly watched, breaking their hypnotic spells only with occasional utterances of: "Boy! Look at that," or "Gosh! Look at that big one!" or "That's Bobby Cravens. I've got his picture," or the like, they presented the true intent of the game, that of good wholesome competition.

An effort to give even more young fans an opportunity to see the 'Cats in action will be offered this Saturday when the UK campus will be invaded by some 3,500 to 4,000 cheerleaders, majorettes and students to celebrate 'High School Day.'

Each year, there is one day designated for this event with the students being admitted to a varsity game at a reduced admission charge. The number one item on the agenda as far as business is concerned is that of a Cheerleader and Majorette Clinic where the girls learn just the right way to "whoop it up."

A special exhibition of tumbling and trampoline artistry will be provided for the visitors in a 9:30 a.m. show presented by the Trombadors Saturday in the Coliseum.

The climax of the spectacle will come prior to the actual battle between the 'Cats and the Muskies when the cheerleader and majorettes will form around the outer edge of Stoll Field and lead fans in cheers.

The spirit, sportsmanship and work that these young ladies, as does that employed by the heretofore mentioned little footballers, can note truly the heart of this game of football. They are a credit to all the parents that recognize the need for fun-gaining, school organized athletic competition.

Calvin Bird, who is presently tied with Billy Cannon of LSU as the SEC's top scorer, could pick up some ground on the Tiger tallyman this Saturday. Each back has 52 points to his credit with Cannon pulling astide with Bird with a tremendous 20-point effort against Duke last weekend. While Kentucky tackles an apparently weak Xavier team, LSU will take on tough Mississippi State which should give "Thunderbird" a chance to "fly" out ahead.

Bird still has a slight chance to capture the nation's number one scoring spot as his total is only 20 points behind the country's leader.

## Independents Start I-M Cage Action

Independents started the league off with 12 games while the tennis contests were staged last night. The I-M basketball league will be held four days a week with no games played on Friday.

In games played Wednesday night, Dorm I defeated Dorm II in Division I of the newly formed

### Kitten Runners Win Over Butler

Dave Puddy turned in a time of 10:08 for the two-mile course to lead the Kitten cross-country team to a 23-32 victory over Butler High of Louisville. Hohn Baxter finished second for the winners.

Finishing in order were Leslie Manley, UK; Harrell Fish, Butler; Ken Akin, UK; Neal Rippey, Butler; Stanley Crowley, Butler; Bob Mosley, Butler; Dick Wallace, UK; Cene Lembo, and Wayne Wilcox, Butler.

Dorm League. In Division II of the League, Dorm XX scored a 33-14 win over Dorm XI. Dorm XII easily whipped Dorm IX by 28-12.

In Memorial Coliseum, the Arkansas Travellers edged out the Rapscallions by 36-30 while the Southerners disposed of the Newmen Chrb, 43-20.

In another Coliseum game, Brock 213 eked past the Bohemians by 34-29 in a close contest.

The Independent Cats, usually one of the stronger teams in the Independent Division, were beaten by the Huddlers, 45-33, at Alumni gym.

Action resumes in the I-M league Monday with a schedule of independent games. Fraternities play on Tuesday and Thursday nights.

## Tennessee To Play Ole Miss

Tennessee, UK's arch-rival and opponent next week, plays Ole Miss who beat the Wildcat 27-6 earlier in the season. The game will be staged Saturday at Shields-Watkins Field in Knoxville.

The Vols, closing out their season with three tough SEC games—Mississippi, UK and Vanderbilt, are heading for one of their most dramatic seasons. With an explosive offense and tenacious defense, Ole Miss is rated as favorite in the contest.

Tennessee, smarting from an upset at the hands of Chattanooga last week which started a riot, will celebrate its homecoming against the Rebs.

Mississippi, in the meantime, led only by top-ranked LSU, has its eye set for a bowl bid and the Vols are the immediate obstacle. The Rebs close out their season against arch-rival Mississippi next week.

### PICTURE YOUR FUTURE

IN THIS GROWING COMPANY

Looking for a solid, satisfying career with a vigorous company in a growing industry? American Air Filter Company, Louisville, Kentucky — world's largest manufacturer of air filters, dust-control, heating, ventilating and air conditioning equipment — needs graduate engineers to fill responsible jobs in sales, engineering and production in its 173 field offices and eleven manufacturing plants located in seven cities.

Next summer AAF will inaugurate its next five-month technical training course for a select group of engineering graduates. This full-time program combines classroom work, under the direction of competent instructors, with field trips to both company plants and large industrial users of AAF products.

A representative of American Air Filter will visit the campus to interview interested seniors on

## Amplifier Stolen From McVey Hall

A public address system amplifier, valued at \$100, was stolen from McVey Hall Nov. 9.

The amplifier was used by mathematics instructors to reach all the students in Room 111. The room holds 150 students and between 2,400-2,600 students use it.

Dr. James C. Eaves, head of the Mathematics Department, said that the person who stole the amplifier stole not only \$100 worth of equipment, but also "the educational opportunities of 1,200 to 1,400 students."

He said that students in the back half of Room 111 will not be able to hear the lectures adequately without the amplifier.

In addition to taking the amplifier, Dr. Eaves stated that about \$50 damage was done to the wiring in the system.

The device had recently been purchased through the use of funds provided by a special Ford Foundation fund.
